*Deputy Governor, Dr. William Kingi with Board CEO Jeizan Faruk*

*County Chief Officers celebrate*

*Governor of Lamu H.E. Fahim Yassin Twaha, Chairperson ASK Mombasa Show, Anisa Abdallah with Barbara Aaron*

This year's Mombasa International Show (MIS) was held from 29th August to 2nd September. The show was a huge success for the County Government of Mombasa having won seven trophies, including the Best County Stand and the 2nd Best Government and Ministries Stand. The County was crowned the Best Agro-Processing Plant and also took the Best Striking Display Award. This tremendous success was achieved through determination and cooperation between the County departments.

Thousands of people visited the County Government Stand which com-

prised of displays from the County's ten departments thus benefiting from news, information and advice. The County Government stand was a beehive of activities as visitors continued flocking into the stand.

The Cabinet Secretary for Agriculture, Livestock, Fisheries and Irrigation Hon. Mwangi Kiunjuri officially opened the MIS on behalf of His Excellency the President. The Governor of Mombasa H.E. Hassan Ali Joho was represented by the Deputy Governor Dr. William Kingi.

The Mombasa County Public Service Board interacted with the public with a welcoming touch of friendship. It was an opportune time to sensitize the public about the role and man-

date of the Board as well as the values and principles as embedded in Article 232 of the Constitution of the Republic.

The Board's stand was an instant crowd puller. People were delighted by the unique display of informative material. The Board took the opportunity to advertise ongoing vacancies and also encouraging the public to be on the lookout for advertised position. The Board encouraged the public to make applications for the advertised jobs in an effort to benefit from opportunities in the County. The public also benefited from the various flyers issued to them and the posters displayed at the stand. They were also informed on the complaints management system recently adopted by the Board.
